Sir:

In response to the office action mailed on May 22, 2002, Applicant submits a one (1) month extension of time so that the period for response expires on September 23, 2002 (since September 22, 2002 is a Sunday). In response to the Office action, Applicant requests that the Examiner consider the following remarks.

REMARKS

The invention is directed to a reading and spelling skill training system and method wherein the system has one or more different games which train various skills of the user, such as phonological skills and then sound/symbol correspondence, of the user. The system combines various different types of training (as set forth in the claims of the application) which train the user's reading and spelling skills.

Applicant submitted an Information Disclosure Statement in May 2002 which the Examiner did not consider in this office action. Applicant assumes that the Examiner did receive that IDS and will review it and indicate that he has reviewed it when he issues his next action in this matter.
